

AKLILU GEBRIE

Architect — Remote Drawing & Production Support for UK & International Practices

Budapest, Hungary | akegebrie@gmail.com | [linkedin.com/in/aklilu-gebrie-tamrie-a338593a8](https://www.linkedin.com/in/aklilu-gebrie-tamrie-a338593a8) | Available remote / by the hour or monthly block

PROFILE

Budapest-based architect (MSc, BME) providing flexible remote drawing, modelling and visualisation support to architectural practices and developers. Currently delivering ongoing production work for a UK residential practice from survey-based existing/proposed drawings to design options for new-build schemes - alongside 18+ months producing working drawings and space-planning packages for a large-scale development in Budapest. Available for additional hourly or reserved-monthly capacity, remote or on-site.

SERVICES

- CAD drawing production — existing & proposed plans, elevations, sections
- Planning & application drawing packages
- 3D modelling and visualisation
- Feasibility layouts, space planning and schedules of area
- Drawing amendments, redlines and revisions

EXPERIENCE

Remote Architectural Production Support - Manorwood Architects, UK (remote) *Jul 2026 – Present*

- Deliver ongoing monthly production capacity for a UK residential practice, working from briefs, surveys and markups.
- Produced existing/proposed drawings for an internal remodel of a 3-bedroom bungalow (Westway, Rogate).
- Developed layout options for a new-build scheme of 3-5 detached houses (Glebe Farm, Nutbourne).

Architectural Production & Space Planning - Karinthy Kft / Sundance Group, Budapest *Jan 2025 – Present*

- Produced schedules of area and unit-mix layouts for a large-scale self-storage development across multiple design phases.
- Delivered DWG drawing production and revisions for showroom and unit layouts, coordinating directly with the project lead.
- Reworked and subdivided unit layouts to respond to live demand data, turning drawings around to tight deadlines.

EDUCATION

MSc in Architecture - Budapest University of Technology and Economics (BME)

2026
