Remote Architectural Production Support

Budapest, Hungary | akegebie@gmail.com | [linkedin.com/in/aklilu-gebrie-tamrie-a338593a8](https://www.linkedin.com/in/aklilu-gebrie-tamrie-a338593a8) | From £16/hour

Extra drawing capacity for small UK architectural practices, without the commitment of hiring. Use me when you're overloaded, up against a planning deadline, or would rather not staff up for a short-term drawing package - by the hour or in a reserved monthly block.

WHAT I CAN TAKE OFF YOUR PLATE

- CAD drawing production - existing & proposed plans, elevations, sections
- Planning & application drawing packages
- 3D modelling and visualisation
- Feasibility layouts, space planning and schedules of area
- Drawing amendments, redlines and revisions from markups

CURRENTLY WORKING WITH

Ongoing monthly production capacity for a UK residential practice (Manorwood Architects, Chichester) - working from briefs, surveys and markups on live remodel and new-build projects.

RATE & HOW IT WORKS

£16/hour for regular blocks of work — no long-term commitment required	Start small send one small piece of work first — see if it's a good fit before committing to more
